“SISTER MARY ROSE CHIRSTY” DAY CENTER

S.O.S. ARAPAMESU:

The help that each of us can offer is of real use for continuing of a well recognized activity at Sibiu county

After more than 25 years of activity, during which we provided social assistance and help to families and children at risk, the ARAPAMESU Association finds itself in the difficult situation of not being able to carry out the necessary capacity and quality of social activities and helping those in need.

After a year's loss of co-financing received from abroad, no solution has been found, with all the steps taken towards public actors (indirect beneficiaries of the Association's services) and / or private ones. Starting August 2017, all staff (social workers, psychologists, educators) work in a volunteer system.

The serious situation of children and families requires integrated programs and partnerships between authorities, NGOs, churches, health services, and economic actors to prevent the negative effects of violence, crime, the spread of diseases, education of those in risk situations; by virtue of these measures protecting us practically the ones involved.

Educational, social and competition activities “Sister Mary Rose Christy” Day Center

Each week, we help raise the importance of having an ecological state of mind, so together with our children and the community, we walk the streets around the day center and collect garbage and recyclable objects.

Daily our volunteers help children with homework, most of them do not have the proper conditions to prepare and study at home. During the day, the little ones receive food supplements, sweets, juice and water, with the help of our donors and sponsors.

General knowledge contest take place each Friday in which children compete in knowledge and they are rewarded with sweets and presents.

Each day we organize sportive and relaxing activities that take place in our courtyard or in special places from our neighborhood; this season winter came earlier, snowfall was a joyous occasion for little ones to build snowmen.

At the Saint Nicholas Day party, our children had fun and listened to stories about Saint Nicholas, spent this holiday together, building specific decorations for the center and at the end they received gifts.

We learned carols and we sang to each and every one that came and visit our center; we also organized a trip to sing carols to some of our sponsors.

Christmas party created a fairy tale at our center, our children received many presents, raised by our team, volunteers and donors.

With this occasion, we thank all of you involved! Without you, these joys for the children and their families could not be possible!
