“SISTER MARY ROSE CHIRSTY” DAY CENTER

S.O.S. ARAPAMESU:

The help that each of us can offer is of real use for continuing of a well recognized activity at Sibiu county

After more than 25 years of activity, during which we provided social assistance and help to families and children at risk, the ARAPAMESU Association finds itself in the difficult situation of not being able to carry out the necessary capacity and quality of social activities and helping those in need.

After a year's loss of co-financing received from Switzerland, no solution has been found, with all the steps taken towards public actors (indirect beneficiaries of the Association's services) and / or private ones. Starting August 2017, all staff (social workers, psychologists, educators) work in a volunteer system.

The serious situation of children and families requires integrated programs and partnerships between authorities, NGOs, churches, health services, and economic actors to prevent the negative effects of violence, crime, the spread of diseases (many cases of hepatitis in children have been reported), education of those in risk situations; by virtue of these measures protecting us practically the ones involved.

Educational, social and competition activities “Sister Mary Rose Christy” Day Center

Each week, we help raise the importance of having an ecological state of mind, so together with our children and the community, we walk the streets around the day center and collect garbage and recyclable objects.

Daily our volunteers help children with homework, most of them do not have the proper conditions to prepare and study at home. During the day, the little ones receive food supplements, sweets, juice and water, with the help of our donors and sponsors.

Each Friday we held the general knowledge contest in which children compete in knowledge and they are rewarded with sweets and presents.

In the center’s courtyard and playgrounds around, we organize sportive and relaxing activities.

“Teatrul Mic” theater and “Gypsy Jazz” band organized a show with music and interactive acting, here our children spent a wonderful time.

In October, a meeting was held within the Social Network Gusterita, where social problems of the city were discussed; the guests expressed their opinions and proposed to take measures and to inform the authorities about problems.

The Halloween party, organized by our center was a success, the children had fun together and dressed as ghosts and spooky spirits.

Several donors helped with clothing, footwear, toys and bed covers; the parents and their children were very grateful.

Thank you very much!
